Networking

Connections and Meetings are a core element of a successful event experience. We've made this as easy as possible, distilling it down to just 4 simple steps to get a calendar full of meetings:

Request

Get recommendations, search and scroll through lists to request meetings for a time and date that works for you.

Accept

Receive incoming meeting requests via notifications or in your email and accept them to have them synced to your personal calendar.

Join

Virtual Meetings can be joined 5 minutes before the scheduled start time. You can join the meeting from your email or the platform by clicking:

Rate

Give anonymous feedback on your meeting with "Good", "Bad" or "Didn't Happen" and give a reason for your rating to qualify your post-event follow-ups.

PRO TIP

To get the best recommendations of people to meet and increase the chances that people accept your meetings one element is absolutely crucial: **complete your profile!**

Add a profile image, fill out your summary and select your preferences in the event-specific questions.

A form titled "MEETING DETAILS" with fields for Date (25th of February 2020), Time (10:30 am - 11:00 am), Location (Virtual Meeting Room), and a Message field with the placeholder text "Write why you would like to meet?". A purple "Request Meeting" button is at the bottom.

A profile card titled "Recommended for You" for Daria Danilina. It includes her name, title "Visitor - London, UK - Booth 232", and bio "Summer Associate at Balfour Beatty Capital, MBA at London Business School, formerly Dropbox & HSBC". There are buttons for "Meet", "Interested", and "Skip". Below are sections for "Potential Handshake" (Daria is interested in meeting you), "Looking to meet" (Venture Capital, Automotive Industry, Government Service Providers and Software Developers), "Interested in" (Artificial Intelligence, Multi-Agent Systems and Natural Language Processing), "Common Connections" (Sasha Elbay, John Doe and Pablo Fernandez), and "Common Industry" (Daria also works in Computer Software). A "Common connections" section with a small profile picture is at the bottom.

Besides being able to request meetings, mark people with "interested" or "skip". If someone is also interested in you, chat with them and grow your network!
